Section 1: Introduction

The Freedom of Information (Scotland) Act 2002 (the Act) requires Scottish public authorities to adopt and maintain a publication scheme which has the approval of the Scottish Information Commissioner, and publish information in accordance with that scheme. The publication scheme must:

- publish the classes of information that the authority makes routinely available
- tell the public how to access the information and whether information is available free of charge or on payment

Angus Integration Joint Board has adopted the [Model Publication Scheme \(updated November 2018\)](#) which has been produced and approved by the Scottish Information Commissioner.

You can also contact us at the address below if you prefer a copy of the Model Publication Scheme, or this Guide to Information, to be provided in a different format.

The purpose of the Guide to Information is to:

- allow you to see what information is available (and what is not available) for the Angus Integration Joint Board in relation to each class in the Model Publication Scheme.
- state what charges may be applied
- explain how to find the information easily
- provide contact details for enquiries and to get help with accessing the information
- explain how to request information that has not been published.

Alongside the Act, the Environmental Information (Scotland) Regulations 2004 (the EIRs) provide a separate right of access to the environmental information that we hold. This guide to information also contains details of the environmental information that we routinely make available.

Section 2: About Angus Integration Joint Board

The Angus Integration Joint Board (“the Board”) was established on 3rd October 2016 as a corporate body under the terms of the Public Bodies (Joint Working) (Scotland) Act 2014. It is one of 29 Integration Boards each created covering one or more areas coterminous with that of local authorities. The function of the Board which contains representatives of Angus Council, NHS Tayside and a number of professional and stakeholder representatives, is to provide arrangements for the development of the integration of health and social care. This integration will improve the outcome for patients, service users, carers and their families. The Board has delegated to it, in terms of the Act and an Integration Scheme approved by the Scottish Ministers, functions and resources of Angus Council and NHS Tayside.

The Board is commonly referred to as the Angus Health and Social Care Partnership. This is the public facing aspect of the Board and comprises the organisation drawing staff from the Council and Health Board which supports the Board in delivering its objectives.

Introducing the Angus Integration Joint Board

The Board has its Principal offices at 2nd Floor, Angus House, Orchardbank Business Park, Forfar, DD8 1AN

Telephone: 01307 492560 E-mail: tay.angushscp@nhs.scot

The Interim Chief Officer of the Board is Gail Smith.

We cover the area of Angus Council.

We work in co-operation with other Integration Joint Boards, NHS Tayside and Angus Council and other agencies in planning and commissioning health and social care services.

The governing body is the Integration Joint Board, which comprises 6 voting members - 3 members appointed from Councillors on Angus Council; 3 members from the Non-Executive board members of NHS Tayside. Additionally there are non-voting stakeholder members and professional members. For more information on the Board see Section 10 – Classes of information - Class 1.

Exempt information

We will publish all the information we hold that falls within the classes of information in the Model Publication Scheme. We publish this information in Section 10 of this guide. If a document contains information that is exempt under Scotland's freedom of information laws (for example personal information or a trade secret), we will remove or redact (black out) the information before publication but we will explain why.

Section 4: Information that we may withhold

All information covered by our Guide to Information can either be accessed through our website or will be provided promptly following our receipt of your request.

Our aim in adopting the Commissioner's Model Publication Scheme and in maintaining this Guide to Information is to be as open as possible. You should note, however, that there may be limited circumstances where information will be withheld from one of the classes of information listed in "Section 10 – Classes of Information". Information will only be withheld, however, where the Act (or, in the case of environmental information, the EIRs) expressly permits it. Information may be withheld, for example, where its disclosure would breach the law of confidentiality, harm an organisation's commercial interests, or endanger the protection of the environment.

Information may also be withheld if it is another person's personal information, and its release would breach data protection legislation. Whenever information is withheld we will inform you of this, and will set out why that information cannot be released. Even where information is withheld it will, in many cases, be possible to provide copies with the withheld information edited out. If you wish to complain about any information which has been withheld from you, please refer to Section 8 – Contact details for enquiries, feedback and complaints.

Section 5: Our Charging Policy

This section explains when we may make a charge for our publications and how any charge will be calculated.

There is no charge to view information on our website, at our premises (except where there is a statutory fee, for example to access registers), or where it can be sent to you electronically by email.

We may charge you for providing information to you, for example photocopying and postage, but we will charge you no more than it actually costs us to do so. We will always tell you what the cost is before providing the information to you.

Our photocopying charges per sheet of paper are shown in the table below:

Size of paper/alternative format	Black and White Pence per sheet	Colour Pence per sheet
A4	10p	20p
A3	20p	40p

Information provided on CD-ROM will be charged at £1.00 per computer disc.

We will recharge postage costs at the rate we paid to send the information to you. Our charge is based on for sending information by Royal Mail First Class.

When providing copies of pre-printed publications, we will charge you no more than the cost per copy of the total print run. We do not pass on any other costs to you in relation to our published information.

Details of any individual charges which differ from the above charging policy are provided within "Section 10 – Classes of information".

Section 6: Copyright

The Board holds the copyright for the vast majority of information in this Publication Scheme. All of this information can be copied or reproduced without our formal permission, provided it is copied or reproduced accurately, is not used in a misleading context, is not used for profit, and provided that the source of the material is acknowledged.

Providing access to information does not mean that copyright has been waived, nor does it give the recipient the right to re-use information for commercial purposes. If you intend to re-use information obtained from the Scheme, and you are unsure whether you have the right to do so, please make a request to re-use the information to:

Chief Officer
Angus Health & Social Care Partnership
2nd Floor, Angus House
Orchardbank Business Park
FORFAR
DD8 1AN

Telephone: 01307 492560
Email: tay.angushscp@nhs.scot

Your request will be considered under the Re-use of Public Sector Information Regulations 2005, which may provide the right to impose a charge. In the event that a charge is payable you will be advised what this is and how it is calculated. If you require more information on the re-use of information go to <http://www.oqps.gov.uk> or <https://ico.org.uk/for-organisations/guide-to-rpsi/>

The Publication Scheme may contain information where the copyright holder is not the Integration Joint Board. In most cases, the copyright holder will be obvious from the documents. In cases where the copyright is unclear it is the responsibility of the person accessing the information to locate and seek the permission of the copyright holder before reproducing the material or in any other way breaching the rights of the copyright holder. This includes, for example, Ordnance Survey Maps, which are Crown Copyright.

Section 7: Records Management Policy

The Board regards its records as a major asset of the organisation. It confirms that its records are one of the essential resources, which support management in the efficient and effective fulfilment of its governance, business and legal responsibilities. The Board will over coming months develop records management and retention policies which will be applied to the management of information held by the Board

Section 8: Contact details for enquiries, feedback and complaints

The Act requires that we review our publication scheme from time to time. As we have adopted the Model Publication Scheme, this means we will review our Guide to Information from time to time. As a result, we welcome feedback on how we can develop our guide further. If you would like to comment on any aspect of this Guide to Information, or comment or complain that information is not included then please contact us via.

Chief Officer
Angus Health & Social Care Partnership
Telephone: 01307 492560
Email: tay.angushscp@nhs.scot
Website: <http://www.angushscp.scot>

You may, for example wish to tell us about:

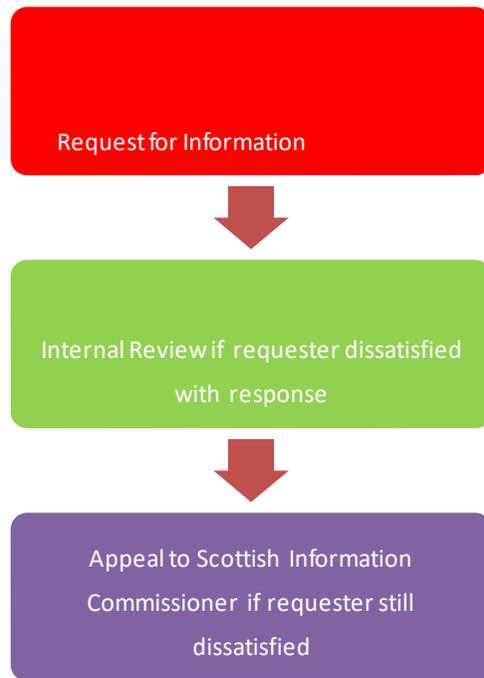

- other information that you would like to see included in the guide;
- whether you found the guide easy to use;
- whether you found the guide to information useful;
- whether our staff were helpful;
- other ways in which our guide to information can be improved.

Our aim is to make our guide to information as user-friendly as possible, and we hope that you can access all the information we publish with ease. If you do wish to complain about any aspect of the Guide then please contact us and we will try and resolve your complaint as quickly as possible.

Any complaint will be acknowledged within three working days of receipt and we will respond in full within twenty working days.

You have legal rights to access information under the Model Publication Scheme (updated November 2018) (as described in this Guide to Information) and a right of appeal to the Scottish Information Commissioner if you are dissatisfied with our response. These rights apply only to information requests made in writing¹ or another recordable format. If you are unhappy with our response to your request you can ask us to review it and if you are still unhappy, you can make an appeal to the Scottish Information Commissioner.

¹ Verbal requests for environmental information carry similar rights

The Commissioner's website has a guide to this three step process, and she operates an enquiry service on Monday to Friday from 9:00am to 5:00pm.

Her office can be contacted as follows:

Section 9: How to Access Information which is not available in the Guide to Information

If the information you are seeking is not available through the Model Publication Scheme (as described in this Guide) then you may wish to request it from us. The Act provides you with a right of access to the information we hold, subject to certain exemptions. The EIRs separately provide a right of access to the environmental information we hold, while the Data Protection Act 1998 (DPA) provides a right of access to any personal information about you that we hold.

Again, these rights are subject to certain exceptions or exemptions. Should you wish to request a copy of any information that we hold that is not available under the Model Publication Scheme (and described in this Guide), please write to:

For requests under Freedom of Information and the EIRs please contact:

Chief Officer
Angus Health & Social Care Partnership
Telephone: 01307 492560
Email: tay.angushscp@nhs.scot

For requests under the Data Protection Act please contact:

Email: tay.angushscp@nhs.scot

Charges for information that is not available under the scheme:

The charges for information that is available under this Guide to Information are set out under Section 5 – Our Charging Policy.

If you submit a request to us for information that is not available in this Guide the charges will be based on the following calculations:

General information requests:

- There will be no charge for information requests that cost us £100 or less to process.
- Where information costs between £100 and £600 to provide you may be asked to pay 10% of the cost in excess of £100. That is, if you were to ask for information that cost us £600 to provide, you would be asked to pay £50 calculated on the basis of a waiver for the first £100 and 10% of the remaining £500 being chargeable.

- We are not obliged to provide information in response to requests which will cost us over £600 to process.
- In calculating any fee, staff time will be calculated at actual cost per staff member hourly salary rate to a maximum of £15 per person per hour.
- We do not charge for the time to determine whether we hold the information requested, or for the time it takes to decide whether the information can be released. Charges may be made for locating, retrieving and providing information to you.
- In the event that we decide to impose a charge we will issue you with notification of the charge (a fees notice) and how it has been calculated. You will have three months from the date of issue of the fees notice in which to decide whether to pay the charge. The information will be provided to you on payment of the charge. If you decide not to proceed with the request there will be no charge to you.

Charges for environmental information:

Environmental information is provided under the EIRs rather than the Act. The rules for charging for environmental information are slightly different. We do not charge for the time to determine whether we hold the environmental information requested or deciding whether the information can be released. Charges may be made for locating, retrieving and providing information to you, for example photocopying and postage. In the event that we decide to impose a charge we will issue you with notification of the charge and how it has been calculated. The information will be provided to you on payment of the charge. If you decide not to proceed with the request there will be no charge to you.

Charges are calculated on the basis of the actual cost to the IJB of providing the information.

- Photocopying is charged at 10p per A4 sheet for black and white copying, 20p per A4 sheet for colour copying.
- Postage is charged at actual rate for Royal Mail First Class.
- Staff time is calculated at actual cost per staff member hourly salary rate to a maximum of £15 per person per hour. The first £100 worth of information will be provided to you without charge.

Where information costs between £100 and £600 to provide, you will be asked to pay 10% of the cost. That is, if you were to ask for information that cost us £600 to provide, you would be asked to pay £50, calculated on the basis of a waiver for the first £100 and 10% of the remaining £500.

Where it would cost more than £600 to provide the information to you, however, we will ask you to pay the full cost of providing the information, with no waiver for any portion of the cost.

Charge for request for your own personal data:

The minimum cost is £10 rising to a maximum of £50 depending on the volume and type of information requested, plus reproduction and postage costs (both on the same basis as for FOI requests).
